WILLAMETTE VALLEY

VINEYARD

This wine is a small blend of the following three vineyards:

Seven Springs in the Eola-Amity Hills AVA, certified LIVE and farmed to biodynamic standards.

X Omni in the Eola-Amity Hills AVA, certified LIVE and farmed to organic standards.

Chehalem Mountain Vineyard in the Chehalem Mountains AVA, farmed to LIVE standards.

WINE

Harvested by hand at sunrise, grapes are weighted, crushed and pressed in the morning. The resulting juice is then immediately transferred with all its sediments to 228 and 500 liter Burgundian barrels, 33% of which are new, where alcoholic and malolactic fermentations are carried by indigenous yeasts and bacteria. After one year, the wine is transferred with its lees to a stainless tank for another 6 months prior to bottling. Wines are lightly fined and/or loosely filter only if deemed necessary. 172 cases produced.

CHEMISTRY

Ethanol:	13.3% v/v
Ph:	3.39
Total acidity:	5.8 g/l
