EOLA-AMITY HILLS

VINEYARDS

Seven Springs Vineyard is located on the eastern side of the Eola Hills ridge. Seven Springs has provided fruit to many of the finest winemakers in the Willamette Valley. Certified LIVE and farmed to biodynamic practices.

X Omni is owned by father and son Craig and Gavin Williams. The sixteen acres, on a cool site in the Eola-Amity Hills exhibit remarkably rocky volcanic soils. Certified LIVE and farmed to organic standards.

Roserock Vineyard sits on a south-facing ridge in the southern Eola-Amity Hills AVA. A markedly unique climate and soil profile create the ideal growing conditions for cool-climate Chardonnay. The property is LIVE certified and committed to soil health and biodiversity.

WINE

While we tend to the young Chardonnay vines we've planted at Abbott Claim Vineyard and our new property in the Eola-Amity Hills, we have been sourcing grapes from a select few vineyards in that same AVA. This wine is a blend of fruit from Seven Springs, X Omni, and Roserock. Natively fermented and aged on its lees for twelve months in barrels followed by six months in a stainless-steel tank. Kept unfiltered ahead of bottling in March 2021.
