EOLA-AMITY HILLS

## VINEYARDS

Chardonnay and Pinot Noir are, in our mind, indissociable - two sides of the same coin. Where one grows, the other is never too far. The varietal is an incredibly uncompromising and truthful vector of terroir, which is why we source fruit from only those vineyards that display the strongest character.

While we tend to the young Chardonnay vines we've planted at Abbott Claim Vineyard and our new property in the Eola-Amity Hills, we have been sourcing grapes from a select few vineyards within the AVA, including the renowned Seven Springs and X Omni vineyards.

## WINE

Chardonnay displays its most delicate, pure and complex expression in the same marginal climate where its red brethren thrives. Natively fermented and aged on its lees for twelve months in barrels followed by six months in a stainless-steel tank. Kept unfiltered ahead of bottling in March 2021.
